**Notes to the financial statements**  
**for the year ended 31 December 2017**

**1. Statement of accounting policies**

The financial statements have been prepared by in accordance with accounting standards issued by the Financial Reporting Council, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"). The company transitioned from previously extant Irish and UK GAAP to FRS 102 as at 1 January 2014. Tolka River Project Ltd is a Company Limited by Guarantee and is a public benefit entity incorporated in Ireland with a registered office at Buzzardstown Campus, Mulhuddart, Dublin 15 .

The significant accounting policies adopted by the Company and applied consistently are as follows:

**1.1. Basis of preparation**

The audited financial statements have been prepared on the going concern basis under the historical cost convention and comply with the financial reporting standards of the Financial Reporting Council, (and promulgated by the Association of Chartered Certified Accountants) and the Companies Act 2014 except for the entity invoking the true and fair view override with regard to the profit and loss and balance sheet formats in Schedule 3 of the Companies Act 2014 as permitted in Section 3.4 of FRS 102 and Section 291 (5) of the Companies Act 2014.

In order for the financial statements to show a true and fair view the directors have determined the profit and loss format be re-named to an income and expenditure account detailing the income and expenditure by nature. Given that the company is a company limited by guarantee the capital and reserves section of the balance sheet has been adapted accordingly to reflect this fact. The directors consider that the layout adapted more correctly reflects the nature of entity given that the entity is a not-for-profit organisation which is limited by guarantee. To use the formats set out in Schedule 3 of Companies Act 2014 and Section 4 and 5 of FRS 102 would not result in the financial statements showing information that would allow the entity to show a true and fair view.

The financial statements are prepared in Euro which is the functional currency of the company.

**1.2. Income Policy**

Income consists of Government funding mainly. The funding is included in the financial statements when received. Incoming resources have been included in the financial statements only when realised or when the ultimate cash realisation of which can be assessed with reasonable certainty.

**1.3. Expenditure**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

- Expenditure comprises those costs incurred by the company in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Costs include governance costs associated with meeting the constitutional and statutory requirements of the company and include the audit fees and costs linked to the strategic management of the company.

**Tolka River Project Ltd**  
**(A Company Limited by Guarantee and not having a Share Capital)**

**Notes to the financial statements**  
**for the year ended 31 December 2017**

**1.4. Fund Accounting**

The following funds are operated by the Company

*Restricted Funds*

Restricted Funds, represent grants, donations and sponsorships received which can only be used for particular purposes specified by the donors or sponsorship programmes binding on the directors. Such purposes are within the overall aims of the company.

*Unrestricted Funds*

General Funds represent amounts which are expendable at the discretion of Directors in furtherance of the objectives of the charity and which have not been designated for other purposes. Such funds may be held in order to finance working capital or capital expenditure.

*Designated Funds*

Designated funds are unrestricted funds earmarked by the Management Committee for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements where applicable.

**1.5. Tangible fixed assets and depreciation**

Tangible fixed assets are stated at historic cost less accumulated depreciation.

Cost includes prime cost, overheads and interest incurred in financing the construction of tangible fixed assets. Capitalisation of interest ceases when the asset is brought into use.

The company undertakes a review for impairment of a fixed asset if events or changes in circumstances indicate that the carrying amount of the fixed asset may not be recoverable. To the extent that the carrying amount exceeds the recoverable amount, that is the higher of net realisable value and value in use, the fixed asset is written down to its recoverable amount. The value in use of fixed assets is determined from estimated discounted future net cash flows.

**Depreciation**

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost less residual value, of each asset systematically over its expected useful life, as follows:

Leasehold properties	-	Straight line over the life of the lease
Computers	-	20% Straight Line

**1.6. Pensions**

The pension costs charged in the financial statements represent the contribution payable by the company during the year.

The regular cost of providing retirement pensions and related benefits is charged to the profit and loss account over the employees' service lives on the basis of a constant percentage of earnings.

**Tolka River Project Ltd**  
**(A Company Limited by Guarantee and not having a Share Capital)**

**Notes to the financial statements**
